

2019 HITH “Artist Participation Agreement”

I hereby agree to the following terms and conditions. I understand that if I fail to comply with the Hidden in the Hills (HITH) guidelines and conditions listed below, I may not be eligible to participate in future HITH Studio Tour events.

1. I agree to perform/provide at least eight (8) hours of volunteer service for the Sonoran Arts League (League) between January 1, 2019 and December 30, 2019 or purchase hours at \$25 per hour.
2. I will have a minimum of **ten complete pieces** of recent, original, one-of a-kind work prominently displayed and for sale during Hidden in the Hills.
3. I will update the League Website with my Artist Images and Bios as follows:
 - Upload 1-10 images of my current artwork (**one image of artwork is mandatory**). *Note: failure to upload a minimum of one image of my artwork, will result in my removal from the website’s “HITH participating artist search”.*
 - Upload my bio and artist statement.
 - Upload my artist photo.
4. I will clearly identify each piece of artwork as either an original or reproduction.
5. I agree to be present at the host studio from 10:00 AM to 5:00 PM on both weekends, all six days! ***HITH is a professional event and full attendance is required of all artists. Nonattendance constitutes an unprofessional act and if flagrant abuse is found, the artist may be permanently ineligible for future HITH events. This includes any artists found absent during HITH hours, or who leave the show early, without prior authorization. (note: weather is not a valid exception).***
6. If I am a **host artist**, I agree to have a minimum of one guest and a maximum of five guests and all guest artists of Host Studios must be eligible participating artists and a League member in good standing.
7. If I am a **host artist**, my studio is an actual working studio and I will show my visitors my actual workspace, materials, tools, works-in-progress, and demonstrate my process of making art.
8. If I am a **host artist**, I agree to provide adequate space for my guest artist(s) to display their work and adequate space for visitors to park safely.
9. I understand if I am a **host studio**, I will receive one (1) sandwich board and four (4) metal signs. I am responsible for the return or cost of replacement of these signs at the end of the HITH show.

10. All **new Host Studios** are subject to a “New Studio Review” by the HITH committee, during registration process and prior to the show to insure the highest quality and professionalism. If I am a **returning host studio** and have been cited for unprofessional or unsightly displays and/or tenting, a “New Studio Review” will be required during registration and just prior to the show.
11. The mission of the **Hidden in The Hills Artist Studio Tour** is to provide an opportunity for the public to visit the workspaces of dedicated artists in the Sonoran Foothills, to learn about the artists’ methodology and process and to purchase directly from them in a friendly, engaging atmosphere that showcases quality art. If I am a guest artist, I agree to show my visitors my materials, tools, works-in-progress, and whenever possible, to demonstrate my process of making art. At the very least, I agree to display a photo portfolio or album of my studio with pictures of myself in the process of creating art.
12. I agree that the Sonoran Arts League WILL NOT be held responsible for any loss of or damage to my art for any reason and all participating artists are encouraged and should carry their own appropriate insurance. If I am a guest artist, I agree that my host artist will not be responsible for any loss of or damage to my art due to theft, damage or other causes.
13. I have obtained the appropriate insurance and business licenses (state and city) and will submit a copy of the license(s) to the League office. During the show, I agree to have my licenses available at all times.
14. I agree to complete the very important “artist survey” by Sunday, December 1, 2019. I understand the individual content is confidential and not shared with anyone other than the Executive Director. The information is collected and tallied for the use and need of credible numbers to validate economic impact with surrounding communities and for grant purposes. I understand the survey is the primary source of improving the event for both artists and the general public. If I fail to comply, I am subject to a \$100 fee.
15. If I choose not to attend or have a representative attend to act on my behalf, the 2019 HITH IMPORTANT MEETING to proof the 2019 HITH Artist Directory scheduled for September 14, 2019, I agree to accept my image(s) and information as it appears.
16. I agree to hold harmless the Sonoran Arts League, its officers and employees, from any action or failure to act on the part of any HITH artist (host or guest) that might cause injuries, death, property damage or other harm which may arise during the Hidden In The Hills Studio Tour.
17. I agree to present only the art which I have created as outlined in the application. It is unacceptable to use any HITH venue to sell anything other than artist artwork and some reproductions (prints) of this art. This means I WILL NOT sell plants, food of any kind, cars, stickers, manufactured goods or **anything other than my own artwork.**
18. I agree that any sales/marketing material that I present during the six days of HITH will only be to promote my own work and my own or the League’s future art events. This may be through the use of business cards, brochures, postcards, my email address, website address and workshop sign-up sheets. I also understand that I may not promote any artists not currently participating in HITH under any circumstances.
19. I will use the updated event signage provided by the Sonoran Arts League with no modifications or additions.

20. I understand that the phrase “Hidden In the Hills” (HITH) is the exclusive property of the Sonoran Arts League. While I am encouraged to promote the tour with my collateral marketing materials (paid ads, postcards, social media posts, etc.) by presenting and/or linking to the Hiddeninthehills.org website, I will not in any way modify the term or create my own website/social media using any part of the phrase “Hidden In The Hills”. The consequences of violating this rule are permanent, and without exception, exclusion from the tour.
21. I understand if I am a Host Studio and live in a gated community, I must adhere to the “Gated Community Policies” agreement. *Contact the League office for the form and agreement.*
22. I agree that I will be a member in good standing (**having joined by December 31, 2018**), with membership dues and any outstanding fees paid, prior to the Tour.
23. I have received a copy of the “Key Dates” and the “Artist Registration and Information Guide” and understand it is my sole responsibility to fulfill my obligations and meet all appropriate deadlines.

Definition of Terms

Resolution referring to dpi & ppi

DPI stands for (Dots per Inch) which technically means printer dots per inch. Today it is a term often misused, usually to mean **PPI**, which stands for (Pixels per inch). So when someone says they want a photo that is 300 dpi, they really mean they want 300 ppi.

RGB - Refers to the graphic colors red, green, blue (which is typically used for the website).

CMYK – Refers to the four color inks used in some printing plates (cyan, magenta, yellow and key black).

JPEG – Joint Photography Experts Group: an ISO compression file for the computer images.

TIFF – Tagged Imaged File Format: is a computer file format storing raster graphic images, popular among the publishing industry.
