

Welcome!

On behalf of the Board of Directors, welcome to the Sonoran Arts League. We are a 501 (c) (3), nonprofit volunteer-based, arts service organization dedicated to actively advancing the arts, artists, and art education. The League is excited to have you as a member and provides an environment with a diverse range of opportunities to engage with the arts community and contribute meaningfully. Whether submitting art for exhibitions, taking art classes, instructing, or actively participating on a program committee, there are countless avenues for involvement and ways to make a positive impact.

I look forward to meeting you at one of the League's functions.

Kind Regards,

David Court
